The Grand Reveal

The destination

Proton International 2018

The destination

- Toronto, Canada

The journey

- Preliminary data: from the 20th until the 28th of April 2018 ('Hertentamenweek' and first week 4th period)
- Means you have to take in account that your thesis will be delayed
- Maximum costs of €600,-

What's included?

- Flights and other traffic transport
- Accommodation (hostel) and breakfast, lunch and dinner
- Visits to companies, institutes and universities
- Cultural activity

What do we expect?

- Hopefully 24 enthusiastic participants
- Interested in the country and its chemistry
- Participation in the 'final report'
- Neat clothing during visits

Literature study

- Literature research for a company
- In pairs, 80 hours per person
- Financial compensation for each participant of €300,-
- Participant of the literature study? Guaranteed of the Proton International 2018 trip
- Registration on the sign-up poster

The background of the slide is a festive pattern of colorful streamers and confetti. The streamers are in various colors including red, green, blue, purple, yellow, and orange, and they are arranged in a wavy, vertical pattern. The confetti consists of small, multi-colored shapes like stars, squares, and circles scattered throughout the white background.

Sign-up now!

- Registration is open!
- **Deadline 10 November**
- KNCV members can apply for a fee of around €50,-
